EQUIPMENT*

*Minimum usage applies

Enjoy an extensive range of juices and smoothies and keep people safe with the Stay Safe Adaptors, Brasserie Dispenser and Grab 'n' Go options. Designed to encourage people to safely help themselves and maintain social distancing.

Ideal for every environment & perfect for Meal Deals.

The Stay Safe Adaptor

- Easy to add to Yorkshire Dispensers and Juice Cubes
 - Simply click the metal Stay Safe Adaptor into place which will then convert your usual tap into a contactless tap
- And let your customers and guests help themselves

OR PICK FROM ONE OF OUR GRAB 'N' GO SOLUTIONS:

OPTION ONE – FILL YOUR OWN

- 100% recycled plastic bottles (150ml & 250ml with lids)
- Arrive empty...simply fill, tighten and lock the lid on
- Alternatively use the 250ml Pop Up Carton with FSC certified cardboard outer
- Shelf life of 5 days if refrigerated
- Can also be used with other juice and smoothie options

OPTION TWO – 100% PURE JUICE IN PRE-FILLED CARTONS

- Pre-filled cartons with 100% pure orange or apple juice
- Supplied ready to go with no labour required
- Long shelf life
