

# FULL SERVICE HOTELS CONCEPT GUIDELINES

Scale up your breakfast juices with one of our ready to drink premium Not From Concentrate (NFC) Orange Juices.

- Help offset the cost by mix and matching with our premium NFC Orange Nectar Juice along with our premium Hydration Juices.
- NFC Orange Nectar Juice comes in a 10 litre ready to drink box with an attached rubber tube and BiB clip provided free on request for easy pouring (see image below).
- **Save up to 50%** by using premium hydration juice drinks such as 1+19 Cloudy Apple and 1+19 Redberry.
- For price sensitive venues you can select our new 1+9 Premium Orange Nectar along with our premium 1+19 Hydration Juices Drinks.
- These are both low in sugar (2%), have added vitamin C, as well as added Zinc and 20% fruit content.
- Use our 2.5 litre Fill Line Jug (provided free on loan) to mix concentrates by filling to the corresponding line (1+9 or 1+19) and adding water to the 2.5 litre top line.

**“By cleverly re-thinking our juice offering, we’ve been able to increase our juice quality, without impacting on the overall orange juice cost.**

Dean Crews - Director of Food and Beverage (Kew Green Hotels)

**Our concentrates can save up to 95% storage, 95% packaging wastage and 95% labour vs Tetra Pak, better for you and better for our planet.**
